Call for applications

Committee	Public safety	Environment	Recreation	Commercial revitalization	Ethics
Basic committee information	The members of this committee will take part in the development of public safety tools for Saint-Lazare, i.e. for our roads, our residential neighbourhoods and our parks. They will provide recommendations to the Town Council on measures that must be taken to improve safety on the Town's territory..	The members of this committee will look into environmental issues such as tree cutting and planting, composting, vehicle idling, wetland conservation and enhancement, the conservation plan, etc. They will then recommend to Council a direction for each of these issues.	The members of this committee will receive and examine requests for projects/activities as well as problem situations. They will recommend projects for their approval by the Town Council. They will also consult with recreational organizations to identify their needs. They will recommend to Council a direction for each project or situation.	The mandate of this committee is to find ways to physically and economically revitalize Saint-Lazare's commercial streets. The committee will promote commercial diversity to better answer the needs of the residents, liven up commercial areas and improve their image and ambiance.	The members of this committee will explore potential solutions for the maintenance of high ethical standards by all members of Council.
