

Saint-Lazare's Trash Diet

Starting this January 7, 2009, Ville de Saint-Lazare, which signed a contract with Services Matrec Inc., will be reducing the Wednesday garbage pickup frequency: 1) from once a week to once every 2 weeks starting January 7th until the week preceding Victoria Day; 2) once every week until the week of Thanksgiving Day and 3) once every two weeks until the end of the year. In other words:

*** Wednesday - garbage pickup**
On Wednesday: once every 2 weeks from mid-October to mid-May
On Wednesday: once a week from mid-May to mid-October

A 2009 calendar is provided here to simplify things. To receive notices of the frequency change, subscribe to our e-mails at

How to reduce your garbage

Hopefully, this new schedule will prompt residents to recycle and compost more, turning away recyclables from landfill sites, which are more and more difficult to find and more and more expensive for our society. You can contribute to reducing your wastes by actively participating:

- 1 To the recycling program every Tuesday;
- 2 To the leaf pickup program every fall during the months of October and November (or by mulching and revitalizing your soil);
- 3 To the household hazardous waste disposal program in September;
- 4 To composting organic matter to enrich your impoverished soil (the MRC and the Town both offer composting classes). Subscribe to receive the info on the next composting class at

Pickups will take place on holidays except on Christmas and New Year's Day. In these two cases, the pickup will take place the business day before or after.
