Come join the excitement!

The QFHSA *Youth Reach for the Torch* event is a showcase of youth sports initiatives that provides inspiring examples for future athletes and involved citizens.

Fans will have the opportunity to meet and be inspired by award-winning freestyle mogul skier Stéphanie St-Pierre (www.stephaniestpierre.com).

Students from member schools in the West-Island/Vaudreuil-Soulanges area will exhibit a variety of sports-related projects.

Free and fun interactive leadership and experiential workshops for youth will be available on site.

Come join the excitement on February 10, 2010 at the Château Vaudreuil located at 21700, route Transcanadienne in Vaudreuil-Dorion.
